Elden Ring

· Guide a character to the guardian deity and claim their power to create a new character · Conquer various dimensions with different quests, and upgrade your weapons, armor, and magic (□◡□) ☆ STORY OF THE ELDEN RING ☆ A troubled world of inevitable conflict. A great darkness descending, a world in despair...The four Guardian deities, who are the protectors of the universe, have vanished. A belief has spread that this dark force heralds the end of the world. The overlord of the Lands Between, Kaufmann, orders the knights to mobilize in order to prevent this. But the Knights dare to request their help in finding the guardians. In order to make changes, tell us what you think about it: Gear Chronicle 2 will offer a big "What's Next" for all of you. This is the main event of a long journey. Thank you very much for playing Gear Chronicle 2 in the years of its service. We hope to continue supporting you for a long time to come. We will strive to make more fantastic things for you in the future. Thank you for your continuous support. It's been a while since the last update. And we've been working on something pretty cool. We made a PS4 port of the game to play in our mansion for everyone to enjoy. Of course, there are lots of features and improvements, but we want to showcase this before putting it out so you get a deeper impression of the game. The PS4 Edition of Gear Chronicle is different from the PlayStation Vita version because of the difference in screen resolution. We don't have any plans to release it on PlayStation Vita as an official version, but we want to make sure the PS4 version is worthy of our fans. Anyway, to get a deeper impression of the game, we've gathered some new material: This is the PV of GSTR1SS, the next new character. As you can see, the game has fully changed and looks really awesome. This is a screenshot of a new game world! In addition to the "Bloody Seed" scene from before, a new area is coming soon! This is an image of some forgotten buildings in the new city. (If you're wondering why
